Thank you for your order. Here's what's in your download and how to make it yours.

WHAT'S INSIDE

Fillable PDF	All eight forms. Clients can fill them in on an iPad or phone, or you can print them. US Letter and A4 are both included.
Word file	The same forms, fully editable: add your logo, change the wording, delete what you don't offer.
The forms	Client Intake · Health History · Facial Consent · Chemical Peel Consent · Dermaplaning Consent · Waxing Consent · Photo Release · Studio Policies

MAKE IT YOURS

1. Open the Word file and put your studio's name (or logo) at the top of each page.
2. Read every form and match it to your services, your state's rules and your own policies. Delete anything you don't offer.
3. Change the policy numbers (deposit, notice, fees) to your own.
4. Save it as a PDF for clients, or keep using the fillable PDF as it is.

FONTS

The designs use **Cormorant Garamond** and **Jost**, free at fonts.google.com. Google Docs has both. Without them, Word swaps in a similar font and everything still works.

PRINTING

- Print at **Actual size** (100%), not "Fit to page."
- Use the US Letter or A4 version to match your paper.
- Plain 24 lb paper is fine; 32 lb feels more premium.

ON AN IPAD OR PHONE

1. Open the fillable PDF in **Files**, **Adobe Acrobat Reader** or any PDF app.
2. Tap a line or box to type or tick it. Use **Markup** or **Fill & Sign** to sign.
3. Save a copy to the client's record, or email or AirDrop it to yourself.

BEFORE YOU USE THEM

These are templates, not legal or medical advice. Rules for estheticians differ from state to state and country to country. Before you use them, check your licensing board's scope of practice and have a local attorney review the consent forms and policies.

YOUR LICENSE

Use these files in your own business, and print or share filled-in copies with your clients as often as you like. Please don't resell, share or give away the files themselves, edited or not. One purchase covers one business; message us for a multi-location license.

QUESTIONS

Message us on Etsy anytime. We reply within one business day and are happy to help you edit or print.

From our studio to yours

Designed by Evelyn Romero, licensed esthetician and owner of Lumevina Aesthetics in Woodland Hills, California, from the forms and tools she uses in her own studio. Some wording was drafted with the help of AI writing tools, then checked and edited by hand.
