Thank you for your order. Here's what's in your download and how to make it yours.

WHAT'S INSIDE

Planner	23 pages: three checklists (paperwork, the room, your prices), a first-25-clients tracker, 30 post ideas, thirteen weekly pages with a focus for each week, three monthly reviews and a day-90 reflection.
Two sizes	US Letter and A4. Print it, or fill it in on an iPad: every line is a typing field.

MAKE IT YOURS

1. Print the whole planner, or just the checklists and the week you're in.
2. On an iPad, open it in Adobe Acrobat Reader or GoodNotes and type or write straight on the pages.
3. Start with the three checklists before your first client.
4. Each Monday, read the week's focus and pick your top three.

PRINTING

- Print at **Actual size** (100%), not "Fit to page."
- Use the US Letter or A4 version to match your paper.
- Print double-sided and hole-punch it into a binder, or have a print shop spiral-bind it.

ON AN IPAD OR PHONE

1. Open the fillable PDF in **Files**, **Adobe Acrobat Reader** or any PDF app.
2. Tap a line or box to type or tick it. Use **Markup** or **Fill & Sign** to sign.
3. Save a copy to the client's record, or email or AirDrop it to yourself.
